

YCC Insurance 2010-11

Haude Morel

ycc-insurance@cern.ch

YCC Committee

What happened this year ?

- Renewing 5-years contracts started in 2007
- Quotes asked to Allianz as a market survey
- Additional proposal of Nationale Suisse : we will save 2190 CHF in total/year. The 2010-11 insurance cost was 13 280 CHF. So the 2011-12 insurance budget will be 11 090 CHF.

What happened this year ?

- Signing of contracts for new boats and conversely cancellation of insurance contracts for sold or unused boats/Accident follow-up (Suivi de sinistres).
- Proposition of sponsoring from Nationale Suisse
- Nationale Suisse offer (tbd) for YCC members living in CH for cars, boats, private insurance.
- Discontinue RC insurance for windsurf boards when they are stored in BA5 ? We would then save in total 1184 CHF / year.

Insurance coverage 2011 :

New insurance for 2 new Lasers 1 bought in Spring.

The new boats insurance includes :

- RC (2 000 000 CHF)
- CASCO complet (fully comprehensive), external regattas, dégâts naturels (natural damages)
- Accidents : recovery costs, death (40 000 CHF), disability (80 000 CHF)

Reminder : The ISO, 2 Laser2 and old Yngling are only insured RC

Ask me a copy of our insurance certificate when you participate to an external regatta. It certifies the CASCO/external regatta/montantRC for the involved boat.

What to do in case of accident

YCC members should report every incident / damage to me as soon as possible (not only via logbook)

And in general :

- See General Infos and web page « accident » for more info
- Contact me if any question : ycc-insurance@cern.ch

THANK YOU !
