

YCC will welcome clubs from all over Switzerland for the opening event of the Swiss Sailing Promotion League on 27-28 May 2023!

Learn about the Swiss Sailing League at our Zoom session with panelists Tim Foster, Elia Borrego and Michal Kwiatek who will share their experiences and insights from Swiss Sailing League events with us.

We'll ask them...

- What is it about the racing format of the Swiss Sailing League that makes it so exciting?
- Who can take part in the Swiss Sailing League?
- What tips do you have for aspiring participants?

...and much more!

It's your chance to discover more about the SSL and ask any questions that you like.
